

POWER PLUS!

Winter 2019 AdvantEdge Power Stroking

Power Stroking is a high energy class offered to competitive skaters who would like to improve their power and edgework through on-ice drills and endurance training.

This fun-filled and fast-paced class is designed to encourage endurance training while skating to today's top music!

Power Stroking will be followed by a 15 minute segment that will rotate between spins, jumps, choreo/movement and dance.

AdvantEdge is open to skaters who've passed PRE-FREESKATE and up.
