Adult Noon Skate session time will be available to skaters on a first-come, first-serve basis, based on the time of their online registration. If a session reaches capacity, the session will no longer be available for registration.

Skaters successfully registering for Adult Noon Skate session time will receive an email confirmation, and may be asked to show it to the check-in attendant upon arrival.

Sticker purchase will require the completion of an on-line waiver by all participants. An adult parent or guardian will complete the waiver on behalf of minor participants.

The Greensboro Ice House will not issue any refunds. Please plan ahead of time and be confident in your schedule selection. In the event of illness, please contact our Admin Team @ GSIcehouse@gmail.com.

STICKER SYSTEM:

A new system of “stickers” has been implemented for skaters to purchase and reserve their place on Adult Noon Skate sessions. Each sticker represents a 60 minute Adult Noon Skate session. Stickers will only be sold online as follows: \$15 for one 60 minute session sticker, \$75 for five 60 minute session stickers and \$150.00 for ten 60 minute stickers.

****Please note: The initial online transaction by each customer will require the purchase of Adult Noon Skate session stickers. Stickers are only sold in sets of 5, not individually.**

Skaters must label their stickers with their name. **Lost stickers are not refundable.**

After their first registration, skaters will be allowed to secure ice time using the Ice Hub, *provided they have have sufficient stickers.*

When skaters run out of stickers, they will need to purchase new stickers via the online process. **Stickers will not be available for purchase at the front desk.** Once purchased, new stickers may be picked up from the check-in attendant.

The check-in attendant will require skaters to affix one sticker to the designated “Adult Noon Skate” session sheet each time they skate an Adult Noon Skate session. **Skaters will not be allowed on the ice without sticker placement.**

CHECK-IN PROCESS AND RINK PROTOCOL

Adult Noon Skate skaters should arrive at the rink, in advance of their sessions, to allow time to check-in and to be processed through a health screening and temperature check.

Please allow plenty of time for screening, etc. to ensure skaters are on-time for sessions and/or lessons. Skaters may check-in up to one hour prior to the start of their session.

Anyone approaching the check-in table must be spaced at socially distant markers and wearing a face covering over the nose and mouth. In the event you forget your face covering, the Greensboro Ice House will have a limited supply of face coverings that will be available for purchase.

The check-in attendant, located outside the rink, will confirm pre-registered, pre-paid lesson and/or Adult Noon Skate ice time. **Reminder: no walk-on's permitted.**

The check-in attendant will deliver pre-paid stickers at your first check-in.
